

EQUIPMENT

QUIET, COMPACT & DURABLE

*Simple and effective
– Stingray is your ultimate
poolcare solution*

HIGH PERFORMANCE – LOW MAINTENANCE

Simply the best.

The Poolrite **STINGRAY** automatic pool cleaner makes pool cleaning easy - on you - and on your pocket.

Stingray has few moving parts for reliability and superior performance.

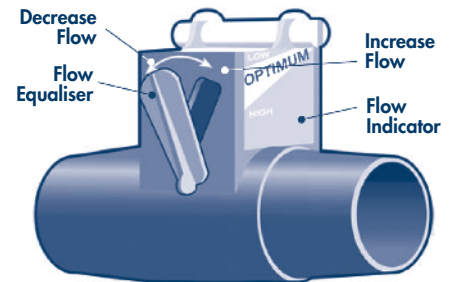

Suction pool cleaners have come a long way and now they are even better with the Poolrite Stingray and its simple, inexpensive mechanism.

This is new and improved technology – a quiet quality product – and exceptional value for money.

- Cleans virtually any pool surface
- Simple to install and operate
- Manufactured to last
- Low maintenance – few moving parts
- Quiet and efficient
- Integrated floats and weights
- Adjustable length, modular hose system
- Improved jamming resistance
- Better debris flow
- Fast moving

The Stingray Weir Valve

To ensure your Stingray's best performance, we have included a Poolrite Weir Valve, to immediately update you on the state of your filter system. The position of the flow indicator will determine the need for backwashing.

Accessories

- Hose Weight – use only in extremely deep pools – 3m/9ft
- 45 degree elbow – use to de-stress the hose at the weir

WARRANTY:

- 2 Years (24 months) – on materials and workmanship.
- 1 Year (12 months) – Hoses
